Congratuations Aileen Truong for being accepted into Graduate School!

Next fall Aileen will be pursuing a Master’s in Health Promotion & Education at the University of Utah. Aileen is an alum of both Upward Bound and of Student Support Services.

“I am excited because I have the opportunity to expand my education and to have more doors opening for me to help people to prevent certain diseases such as obesity.”

“I chose this program because I am passionate about what I do. The professors at the University of Utah are the most understanding people I’ve met. I have built a great foundation.”

TRIO wishes Aileen good luck!

Several men sitting in a VIP suite at a Rapid City Rush game were seen pouring beer on and making racist insults to harass a group of 57 Native American children sitting below them. During TRIO Day, TRIO collected photos of people who wanted to send their support and thoughts to American Horse High School in Allen, South Dakota.
