Hello UB!

The fall semester is upon us! We certainly hope you had a great summer! As you may know, Upward Bound is a national program and is intended to instill a college going culture for students such as yourself. This means we want you to finish high school, and enroll in college. A college education not only gives you something to brag about, it gives you the opportunity to create a comfortable life. By being comfortable, you have more time to invest in your family, your friends, your community and yourself. If your church, your community, or your background is important to you, a college education will most definitely help you to make positive impacts in those areas.

With that said, we want you to know that we are here for you. This year, expect to see more tutoring, advising and more educational activities to keep you moving toward your goals. We also have a lot of fun things planned, so jump in and enjoy the ride! Let’s make it a great year!

‘Sup, UB?! My name is Mariana Ramiro-Gomez and I am a new Academic Advisor. I started this summer and am stoked to meet more of you this year. Me and my favorite (only) nephew are on the left and me and my homeland (Mexico) are on the right. I like to sleep, watch Netflix/movies, eat popcorn, hike, run, read and help YOU get to college! Really. This is my dream job.

Thursday, September 4
University of Utah, Union Theater

Family Movie and Game Night!

UB will be hosting a parent orientation and game night for the whole family, bring your parents to get important information for the year, meet other families, play games, watch a movie and eat food and popcorn!

What is it?
Starting September 13 we will host tutoring, workshops, guest speakers, community service and fun activities for everyone in UB!

Where do I go?
Seniors go to Annex 2075 (UB Office)
9th –11th grade go to OSH 273

What time does this start?
Every Session is scheduled for 9am to 12pm (Noon).

Who needs to go?
You! All Upward Bound students are must attend Saturday Sessions.

Do I get points for going?
Of course silly!
