What is JumpStart?
A fun summer residential program that helps eligible students to discover what it takes to have a successful University experience. JumpStart students are part of the TRIO Student Support Services (SSS) program.

What is the Cost?
Students who participate in JumpStart will receive a tuition waiver, required textbooks, and room and board in the University residence halls for 6 weeks at no cost to the student.

What Classes Will I Take?
You will take 3 classes and may earn up to 9 elective credits during the summer.
They include:
- Math 990 (0 credits) or Math 1010 (4 credits)
  Math placement in the summer is based on your ACT, Accuplacer score or grade received from an AP course.
- Writing 1005 (3 credits)
  University Writing & Thinking
- Ethnic Studies 1800 (2 credits)
  Issues in Ethnic Studies

How Do I Apply?
To begin the process, you must be eligible for the program.

1. Student will graduate from a Utah high school in summer 2015.
2. Student is admitted and will attend the U of U in 2015-16 academic year.
3. Student comes from a low income family and/or a family where neither parent has a Bachelor’s or higher degree.
4. Student has an ACT math score below 23 or Math accuplacer places student into Math 990 or 1010. No other math classes are offered.
5. Student is a US citizen or permanent resident.

Applications are available on the TRIO/JumpStart website: http://trio.utah.edu/jump-start/index.php
