Meet Our New Student Mentor!

Hello TRIO! My name is Diana Bahena. I was born in Morelos, Mexico but raised in San Diego, California. I graduated from San Diego State University with a B.A. in Psychology and Spanish and a minor in Counseling and Social Change. While at SDSU, I was a NASPA Undergraduate Fellow and worked in the Educational Opportunity Program (EOP) assisting programs that support historically underrepresented students. My own experience as a first-generation-Latina-immigrant and having worked in EOP led to my passion towards Student Affairs. I recently completed a two-year-part-time apprenticeship at UrbanLife Ministries, a faith-based-non profit, working with high-school students. My mission is to increase college access and retention for first-generation college students. I am excited to meet you and work together towards a smooth transition into the U and be part of your transformative journey as a TRIO student!
