We are excited to invite you to apply for the 2018 JumpStart program! This year we will be able to accept 5 students into this 6 week residential program. JumpStart is part of the TRIO Student Support Services (SSS) program. Participants have the opportunity to begin their freshman year during the 6 week second term of summer semester. Students will live in the residential facilities, take classes for elective credit and receive guidance on University of Utah policies and procedures while also developing a strong supportive network of peers, staff and instructors.

There are several things that you **NEED TO COMPLETE** to be eligible to participate in the Program this summer. Please read through this application carefully and make sure you have completed all required tasks. For questions about JumpStart please call the TRIO office at 801-581-7188.

### CHECKLIST

- **Apply to and be accepted to the University of Utah** for Summer or Fall Semester in 2018

- **Complete and submit this summer 2018 JumpStart Program & SSS application by March 2, 2018.** Additionally please include the following with your application:
  - 1 page personal statement, discussing your academic and/or career goals, what you want to gain from the JumpStart program and any challenges you have faced in the past or currently.
  - Copy of your most recent transcript (does not need to be official)
  - ACT scores shown on your transcript or a separate sheet sent to you from College Board
  - If you have taken a University of Utah Accuplacer, please submit scores.

- **Meet with SSS advisor** (Maria Baldwin) to discuss the summer program classes and activities. The TRIO office will contact you to set up an appointment after we receive and review your application.

- **Attend the Summer University of Utah Orientation Session either in May (TBD) or the overnight session on June 18th – 19th.**
  
  In order to be in the JumpStart-Bridge program and to take college classes for credit you **must** be accepted to the university as well as attend a University of Utah orientation session. Once you have been chosen to participate in JumpStart this summer you will need to let us know which session you will attend.
Welcome to Student Support Services (SSS)

The Student Support Services (SSS) program is a TRIO program for college students. JumpStart is part of SSS and the SSS application is attached. JumpStart students will be participating in the program with other TRIO students who have previously been involved with the Upward Bound program while in high school. They are called Bridge students. The JumpStart summer program marks the first semester of your college career! Just a reminder that classes taken during the summer will appear on your college transcript. It is very important, therefore, that you attend the summer program with the intent of studying hard and being successful. As a SSS student you will be able to utilize TRIO resources throughout your undergraduate program at the University of Utah. Services include advising, tutoring, assistance with financial aid application process and mentoring. Additional SSS information can be found on the TRIO website, https://trio.utah.edu/.

Summer Semester Classes

Students may earn between five and nine credit hours of University coursework in mathematics, writing skills, and an introduction to Ethnic Studies. You will be enrolled in Writing 1010 and Ethnic Studies 1800. Your math class placement is based on your Math ACT score, a college Accuplacer, AP or a concurrent score received before summer semester begins. You will be placed in one of these 2 math courses below:

<table>
<thead>
<tr>
<th>ACT Math Score</th>
<th>Summer Math Placement</th>
</tr>
</thead>
<tbody>
<tr>
<td>17 or below</td>
<td>Math 980 (Algebra for College Success)</td>
</tr>
<tr>
<td>18 to 22</td>
<td>Math 1010 (Intermediate Algebra)</td>
</tr>
</tbody>
</table>

(Note: These are the only math classes offered to JumpStart during the summer)

Workshops & Other Activities

During the summer program, students will attend various workshops and information sessions to learn more about different college departments, programs and resources. These meetings will usually occur in the afternoons after lunch and classes. Mentors and students will plan recreational activities at other times that do not conflict with classes or workshops and info sessions.

Employment during the Program

The summer program is a FULL-TIME COMMITMENT. Students wishing to work during the program must arrange their schedule around classes, required activities and study time. We encourage you to work on the weekends which will not interfere with these activities.

- Classes run from approximately 9am to 2:45pm on some days with a break for lunch.
- Lunch lectures or afternoon workshops are possible.
- Students will need to meet with the TRIO advisor regularly throughout the summer
- Students are involved in recreational activities and studying during the evenings

If you do have off campus employment during the week, we recommend that the job be as close to campus as possible and you will need to provide your own transportation.

TRIO Orientation

TRIO staff may also hold an additional short Bridge/JumpStart orientation for students and interested parents/guardians prior to move-in time. More information on this later.
