**Fall Message**

The start of fall semester can be both nerve racking and exciting. Often students feel optimistic uncertainty of what may come. Remember you are not alone, your TRIO family is here for you. As we embark on this journey together, we would like to remind you of your strength and resiliency. You have made it this far, keep going!
Advising

Advisors will continue to meet with students virtually throughout the fall and are available via phone, video and email. We recommend scheduling an appointment in advance to allow plenty of time to take care of your needs. However, we understand urgent situations can arise, especially during the first week of a new semester. Therefore we will be available for virtual "walk-in" advising August 23- August 26 from 9:30 am to 11:30am and 1pm to 4pm. No appointment needed, just log on and the next available advisor will meet with you.

Tutoring

Free tutoring is available for all TRIO students! We have online tutoring services through TutorMe. Getting started can be pretty frustrating if you find yourself in need of help and ask one of our staff members.

Staying Healthy

Guidelines for staying safe and healthy during COVID are constantly changing, the university recommends keeping up to date with the CDC. We are asking students who visit our office to wear masks.

New to TRIO?

Welcome to the TRIO family! We are so happy to have you join us. We look forward to supporting you along your college journey and hope to make some wonderful memories along the way.
SUMMER BRIDGE COMES TO AN END

Every summer a group of very dedicated first-year TRIO students take their first college classes at the University of Utah. This year our students took Dance, Writing, Math, and Ethnic Studies. They also learned about campus resources and participated in fun activities. We are excited to see them around campus this fall!

FAREWELL KYLE

Kyle Ethelbah has served as the Director of University of Utah TRIO Programs for over 8 years. His impact in our office has been immeasurable and although we are sad to see him leave, we wish him the best in his journey at the University of Nevada Las Vegas.

I am getting my Master's degree in Education, Leadership and Policy. I was raised in Guadalajara, Jalisco, Mexico. I lived there for 15 years. Also, I played basketball on my school team for about 6 years. I love dancing bachata, cumbia, and merengue.

I am studying Psychology and Criminology. I was born in Mexico City, Mexico. I enjoy new experiences, listening to new music, exploring new places and learning new things. An interesting fact about me is that I once went to Japan a whole summer by myself!
