Hello! My name is Hailey Jones. I have been a part of TRIO for many years now. The TRIO program has helped me throughout high school and has helped me get accepted into my dream school. I am a freshman at the U of U majoring in Biology and minoring in Mandarin Chinese. I aspire to be a traveling radiologist. TRIO has helped me transition into college life and has helped me with my classes with the help of their tutoring program. The academic advisors at the U have helped me on the right track for my academic planning for my degrees.

I am excited to be a part of the U TRIO program this year!
