Dear Students,

Welcome back for the spring 2021 semester! We hope winter break allowed for some much deserved rest, relaxation and recovery. This fall was tough, you have spent most of your time adjusting and navigating your courses virtually. We want to recognize your diligent efforts to keep pushing through. You all overcame so many challenges by leaning on your loved ones, it has been truly inspiring. We have learned so many things from each other, and hope that you continue taking care of yourselves and one another. Whether that be finding ways to organize a schedule, taking up a new hobby, learning to bake, working out, and giving yourself grace to take a step back, stop and just breath. We want you to know we are here for you, and will remain flexible in supporting you as things change. As Clair Cook said, “If plan A does not work, the alphabet has 25 more letters-204 if you are in Japan”.

Tutoring

Free tutoring is available for all TRIO students. If you need further assistance on resources for tutoring please reach out to your TRIO advisor or navigator for more information.

We understand during these challenging times you may not want to ask for help. Please reach out to TRIO if you have questions.
NEW ADDITIONS TO OUR OFFICE

Administrative Assistant

Hello! My name is Makena Christiansen. I was born and raised in Logan, UT and graduated with degrees in Anthropology and History from Utah State University. Growing up in Utah, I have always loved hiking and being outside in the summer. I’m not a huge fan of snow, but I have recently started snowshoeing. I love movies, my favorites genres currently are action and documentaries. I also love music, eating pizza, and I am addicted to Dr. Pepper. I’m excited to work in TRIO and meet all of you!

Office Assistant

Hello! My name is Moises Santiago. I grew up in Salt Lake City, UT, and graduated from Kearns High School in 2020. I am currently studying at the University of Utah, working towards my bachelor’s degree. Growing up in Salt Lake City, I love bowling, camping, and participating in community service projects. I enjoy playing video games like Among Us, Super Smash Bros. Ultimate, and the classic 1980s Pac-Man game. My favorite TV shows are Stranger Things, The Good Doctor, and Criminal Minds. I also love drinking Coca-Cola, and I’m thrilled to work in TRIO providing my service.
Parking on campus can be a dilemma for some of our students, especially when they consider what they can and cannot afford. William Pepper is our TRIO second-year student studying computer science at the University of Utah, exemplifies his leadership through assisting low-income and first-generation students in finding affordable parking rates, while avoiding tickets, and continuing their education, especially during times of economic hardship. Pepper showcases his abilities to network with those on campus, residents close to campus and businesses to expand his vision of accessibility and affordability.
