GRADE CHECKS

Term 2 had us concerned about grades for some of you. We are planning on distributing grade checks to individuals that got less than a 2.5 for term 2, to make sure their grades are where they need to be for term 3. These forms should be filled out with all your current classes, grades, and be signed off by all your teachers. You'll be receiving the forms during tutoring the first week of March. These are required and will factor into your participation for future UB activities.
