HAPPY HOLIDAYS

Happy Holidays from us at Upward Bound! As it gets colder and Mariah Carey's power grows, please remember to stay on top of your schoolwork as the year comes to a close!

More than just Christmas happens this month! For December, we will continue to have our regular tutoring schedule at your schools!

We have two Saturday Eds this month, one on the 4th and another on the 18th. The 4th will be regular tutoring, while the 18th will include ice skating at the Olympic Oval in Kearns!

Also, we are now preparing for our Spring out-of-state college tour. The location will be announced at a later date. However, the application for the out-of-state college tour and the requirements are listed below.

Saturday Eds

We are having two Saturday Eds this month!
December 4th, we will be having regular tutoring from 9am - 12pm.

December 18th, we will be having tutoring from 9am - 11am, then we will be going ice skating at the Olympic Oval in Kearns. There will be transportation provided to take us from the University of Utah to the Olympic Oval. We plan on arriving back at the University around 2pm.

Kearns students can go home by themselves after Ice Skating, but you must plan your own transportation.

Tutor Me

With the high demand for tutoring services, we will be using a software called tutor me when we are unavailable and you need more help!

Tutor me is an online tutoring program available 24/7 and has tutoring covering most high school classes and subjects.

We plan on starting our trial with Tutor Me starting in January. If Tutor Me is successful and receives positive reception, we'll move forward with purchasing Tutor Me for our use.

Spring College Tour

The application for the Spring out-of-state college tour will be opening in December!

To attend the out-of-state College Tour, we require that everyone who is interested fill out an online application. The application will involve an essay component. The prompt for the essay will be revealed at a later date.

Who attends the out of state college tour will be decided by:

Grades

(Absolutely no Fs)

Participation

(Priority will be given to those with high participation)

Essay

Keep in mind that you will need to be **FULLY** vaccinated to go on the college tour.

SPECIAL SHOUTOUT TO ALL THOSE THAT WENT ON THE NORTHERN UTAH & EASTERN IDAHO COLLEGE TOUR!
