WE’VE REACHED THE END

Hello Upward Bound Family!

Reminder that if you have completed the 10 Nucleus Robotics modules or have attended all of the senior workshops, you will be eligible to receive the stipend. If you were sent a W-9 letter in the mail, we need the W-9 filled and returned to us so that we can get the deposit to you. You can complete the W-9 and mail it back, or send a LEGIBLE copy/photo of the W-9 to upwardbound@sa.utah.edu. If you did not receive a W-9 in the mail, we already have it so you don’t have to send one in.

The Application for our Summer Program closes on the 14th. If you have not applied yet, please try to do so as soon as possible. A reminder that classes will be held online Tuesday-Friday from 9am-12pm. Each Monday we will take one team out on an activity to Park City or Snowbird.

Also, if you have any younger siblings or friends who are currently 8th graders, if they will be starting 9th grade next fall they are eligible to apply for Upward Bound! Please spread the news to any future 9th graders if they’re interested!
