Welcome our new UB Program Manager!

Kevin Enriquez (he/him)

Hello! My name is Kevin Enriquez, and I am the new UB Program Manager starting on May 8th! I was born in Los Angeles, CA but raised in Rose Park, UT. I am a West High, University of Utah, and Upward Bound alum. Also, I have previously worked with Upward Bound as a team leader, tutor, and bridge mentor. I will be a graduate student coming this Fall semester studying Education, Leadership, and Policy here at the University of Utah.

Some fun facts about me is I love to laugh a ton, I collect Hot Wheels and Funko Pops, and I have recently been getting into fitness! I also love cars.

I'm so excited to return to the program in this new role and continue the success of TRIO Upward Bound and all it has to offer to its students!

We flew 18 UB sophomores and juniors to Portland, Oregon for our annual spring college tour! We visited Portland State University and Western Oregon University. We also visited the Tillamook Factory, the Rose Test Garden, and Downtown Portland.

We had a lot of fun and the spring college tour was a success!

Thank you!

As we get closer to wrapping up the school year at the end of this month, I would like to congratulate all UB students on finishing the 23-24 school year!

Thank you so much for all the effort you've put into the program. Let's finish strong and complete the last few weeks of tutoring before summer!
