WELCOME TO NOVEMBER
Hello Upward Bound Family, and welcome to November! We hope that you've had an exciting Autumn and are getting ready for Winter!

As we're nearing the holidays, please remember to take care of yourselves as you work on maintaining and improving your grades and participation.

Also, thanks to everyone who participated in our Union Halloween party! We loved seeing all of you in costume. We managed to hand out over 600 pieces of candy to children from the University of Utah community!

Thanks to all those that went with us to our Southern Utah College Tour!

Our Seniors (and some Juniors) had a great time exploring Utah Valley University, Snow College (not really...), Southern Utah University, and Dixie State (The fan-favorite, obvi). Not only did we explore the Southern Utah Schools, but we also had fun exploring Cedar City and St. George, trying new and exotic foods (Indian, Hawaiian, and Applebees), spent some time in the outdoors, shenanigans by the pool, and of course, vibing to Doja Cat.

Suppose you are a Junior and want to have a similar experience. In that case, we have a Northern Utah and Idaho Tour this month! (details below).

Mentors

Those who have attended Saturday Ed may have already met our two new mentors, but we would like to formally introduce them!

Abigail Simmons

Abbey is from Sandy Utah and is a Political Science major in her Freshman year!

Abbey will be at Kearns High on Mondays and West High on Wednesdays.

Brenna Peterson

Brenna is from Midvale Utah and is a Senior Chemistry Major (she's also Emery's Cousin!)

Brenna will be joining us on Saturdays.
Saturday Eds

We will be having two Saturday Educations this month.

On November 13th, we will be having regular tutoring from 9am - 10am. At 10:30am, a bus will arrive to take students to the Loveland Living Planet Aquarium in Draper. (This Saturday Ed will be facilitated by Kenny and the mentors).

On November 20th, we will be having regular tutoring from 9am - 12pm. At 11am, we will be hosting a Parent University where Seniors, Juniors, and their parents are invited to learn about the various Utah Colleges.

New Website

Trio's new website is now Live! Thank you to everyone who participated in the photoshoot for the new website and for those who gave us feedback on the test website!

On the new website, you can find information on current and upcoming Trio events, a new streamlined application, resources for college access and local colleges, financial aid and scholarship assistance, and information about other Trio programs around the state of Utah!

The new website can be found at trio.utah.edu

Northern Utah / Idaho

A reminder that our Northern Utah / Idaho College tour is November 4th - 6th.

We will be visiting Weber State University and Utah State University Thursday the 4th and Idaho State and College of Eastern Idaho on Friday the 5th.

As a reminder, this college tour is priority for Juniors and for Seniors who did not attend the college tour to Southern Utah.

Please turn in permission slips ASAP. Permission slips can be picked up and turned in at afterschool tutoring.

Please plan on arriving at Sunnyvale Park (4013 S 700 W, Salt Lake City). Plan to arrive by 9:30 am.

We will be gone for only TWO and a half days. PACK LIGHT, and please pack warm.
